ANNOUNCEMENT KEY OPERATING DATA FOR THE THREE MONTHS ENDED 31 MARCH 2024

This announcement is made by Sinofert Holdings Limited (the “**Company**”) on a voluntary basis.

To enable shareholders, investors and the public to better assess the operating performance of the Company and its subsidiaries (the “**Group**”), the board of directors of the Company (the “**Board**”) hereby announces certain unaudited key operating data of the Group for the three months ended 31 March 2024 (the “**Period**”) as follows:

The turnover and net profit of the Group for the Period were approximately RMB6,639 million and RMB499 million, respectively. The net profit of the Group for the Period increased by approximately 1.63% as compared with that for the three months ended 31 March 2023, mainly due to the Group’s steadfast commitment to promoting the “Bio+” strategic transformation, focusing on core biological products, and continuous efforts in biotechnological products, which collectively contributed to a steady growth in sales volume and gross profit levels, thereby offsetting the impact of market fluctuations on performance.

The information contained in this announcement is only a preliminary assessment made by the Board based on the consolidated management accounts of the Group and the information currently available to the Board. Such consolidated management accounts have not been audited or reviewed by the Company’s auditors and may be subject to adjustment and final confirmation. Therefore, the above data are provided for investors’ reference only. Investors are advised to exercise caution when dealing in the securities of the Company and avoid undue reliance on such information.
